**BRIDGE ON 105<sup>TH</sup>** - The old bridge and trees around the bridge have been removed due to the Northern long-eared brown bats. This bat is endangered so if nests are found around the work area, no work can be done from April 1<sup>st</sup> through October 31<sup>st</sup>. Bids for the bridge project are due back to the County by the end of March, so we will have a better idea as to when construction on the new bridge will begin and the projected completion time.

**NO PARKING ON EDUCATION DRIVE** – Due to the amount of traffic coming and going from our school, signs are being made for: “NO PARKING FROM 7:30 A.M. TILL 4:30 P.M. WHILE SHOOOL IS IN SESSISON.” Signs will be posted once we receive them. Enforce begins immediately.

**CHICKENS** – are allowed in the Village limits as of December 7, 2022. Ordinance 2022-06 states three (3) hens per household with a \$25.00 fee per household per year. Ordinance and codes can be found on the website at Malcolm.ne.gov. An application for chickens can be found on the website.
