BRIDGE ON 105TH - The old bridge and trees around the bridge have been removed due to the Northern long-eared brown bats. This bat is endangered so if nests are found around the work area, no work can be done from April 1st through October 31st. Bids for the bridge project are due back to the County by the end of March, so we will have a better idea as to when construction on the new bridge will begin and the projected completion time.

NO PARKING ON EDUCATION DRIVE – Due to the amount of traffic coming and going from our school, signs are being made for: “NO PARKING FROM 7:30 A.M. TILL 4:30 P.M. WHILE SHOOOL IS IN SESSISON.” Signs will be posted once we receive them. Enforce begins immediately.

AGING PARTNERS – Meets at the Village Hall the third Friday of each month from 9:00 A.M. – 11:00 a.m. See enclosed handout to learn more about it.

BUILDING PERMITS – All residents living within the Village limits and/or **within the one-mile jurisdiction** of the Village of Malcolm are required to apply for a building permit through the Malcolm Village Office for ALL PROJECTS. Building permit forms as well as the Malcolm Municipal Code can be found on our website at www.Malcolm.ne.gov. Chapter 9 informs you of which projects need a building permit and which projects are exempt from a building permit. Chapter 12 informs you of the Zoning Regulations and setbacks required for your project(s).

MALCOLM FARMER’S MARKET – The 2nd year of the Farmer’s Market is under way. The Market is held in the parking lot of St. Paul’s Lutheran Church on Saturday mornings from 8:00 a.m. – 11:00 a.m. Applications to participate in the Malcolm’s Farmer’s Market can be picked up at the Village Hall or by calling the Farmer’s Market Manager – Allea River’s at (402) 310-5475 or email her at malcolmfmanager@gmail.com.

OTHER REMINDERS –

- The 19th **Malcolm Auto Show** will be held on August 20, 2023, in the park.
- **Food Trucks** within the Village limits are required to complete a Mobile Food Vendors application and submit to the Village Office **BEFORE** the food truck is allowed to set up, attachments must be included with the application. Applications and codes can be found on the Malcolm website – Malcolm.ne.gov.
- **GOLF CARTS** – Just a friendly reminder, Chapter 5, Article 3, Section 5-304 defines where, when, and who can operate golf carts, ATV’s or any other off-highway vehicles, and tells the age the driver needs to be to operate them on the streets in Malcolm.
- Remember if you want a good book to read you don’t have to go far. The two **little libraries** we have in the Village are constantly getting new books in them. One is located on the porch of the Village Hall and the other is located at the crosswalk in front of Westfall School.

Village Board meetings as well as the Planning Commission meetings are opened to the public, your input is very important to the continued growth and everyday concerns of the Village. The Board cannot help with any problems that might arise within the Village unless you bring the problems or concerns to the Board. The Village Board meetings are held on the first Wednesday of each month, beginning at 7:00 p.m. The Malcolm Planning Commission meetings are held on the last Wednesday of each month, beginning at 7:00 p.m. Both meetings are held at the Village Hall located at 137 E. 2nd Street, Malcolm, NE.
